

Calling all Co-owners!

The Beautification Committee is holding a

"Pick Up & Make it Pretty Day"

As discussed at the Special Meeting in March, the more areas of the community we "maintain" ourselves, the less cost to the community.

We encourage all co-owners to join us to pick up trash and twigs. Help us make Crystal Ponds "pretty".

WHEN: Saturday, April 5, 2025
1 – ???

WHERE: Meet at 10073 Swan Lake Circle

Trash bags will be provided and Scott will be assigning areas that need the most attention.

Please text Scott at : (734) 634-4944 if you will be participating.

The Beautification Committee will be holding the first

"Clean the Pond Day"

Saturday, May 17th.

The focus of this clean up is the "middle pond". Tools will be provided, as well as refreshments and food.

Make plans now to join us and other co-owners---the more the merrier---and the "faster" the job will get done!

(Details/specifics to follow)
