

## WINTERIZATION OPT-OUT

This year, we are offering co-owners the ability to “opt-out” of salt treatments to some common areas. Co-owners have the option of not having their driveway, and/or sidewalk (to the porch--not in front of your unit) and/or porch not treated.

If you do not wish to have salt treatments this Winter, please email Roxann Repasy at [repasyr@yahoo.com](mailto:repasyr@yahoo.com) **as soon as possible** and request a form. Roxann will email you a form that needs to be completed, signed, and returned, as well as more details on the process of identifying the units etc.

***We need to get the list of units not to be salted to Meadows Lawn Care***

***no later than November 15<sup>th</sup>.***

**PLEASE NOTE:** Any unit that had a driveway, porch and/or sidewalk (to the porch or outside the unit) are automatically on the “opt-out” list. We do not want to treat any of this new concrete this year.
